## **The Healing Haggadah Rabbi Michael Friedman**

### **The Pesach Seder Redefined**

**The Healing Haggadah: Passing Over Trauma offers a unique, experiential, and therapeutic approach to the Pesach Seder, guiding individuals and communities in processing collective and personal trauma. Through the lens of the Exodus story, Rabbi Michael Friedman, M.Ed., LPC, weaves psychological insights with Torah wisdom, making the themes of yetzias Mitzrayim deeply personal and transformative.**

**Rooted in traditional Torah commentary and modern psychology, this Haggadah empowers readers to identify their inner struggles, confront their personal Mitzrayim, and find redemption through the timeless lessons of the Seder night.**

# New Haggadot 5785

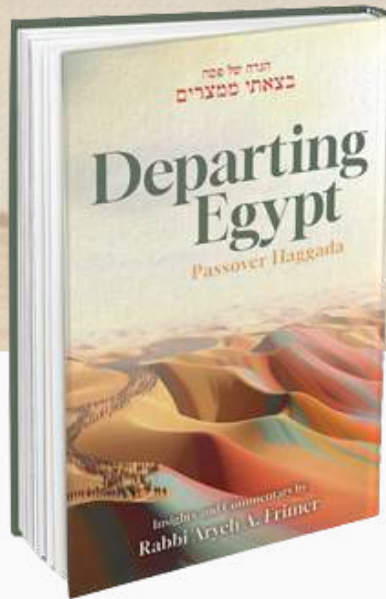

## The Legacy Haggadah: Insights from Gedolim whose Torah is their Legacy

The Legacy Haggadah was created to honor and share the wisdom of some of our revered Gedolim who, for reasons known only to Hakadosh Baruch Hu, were not zocheh to have children as their legacies. These Gedolim spanned continents and generations; by bringing their timeless divrei Torah to life, we create a powerful connection to the past, thereby bringing forth untold zechuyos. Some of the Gedolim included in this masterful publication are the **Zera Shimshon**, the Sabba Kadisha, **Rav Meir Shapiro**, the **Aish Kodesh**, the Satmar Rav, the Yismach Yisrael, and the Chazon Ish, zechusam yagein aleinu.

**New Haggadot 5785**

## **DEPARTING EGYPT PASSOVER HAGGADA**

**Departing Egypt Passover Haggada is the culmination of many decades of teaching and study, inspired by the encouragement of congregants, friends, and family. Throughout his adult life, Rabbi Frimer immersed himself in the writings of many different commentators on the Haggada, gleaning insights and interpretations of its age-old verses. He was intrigued by their creativity, ingenuity, and bold interpretations, as well as their probing analysis of intellectual, psychological, and emotional themes.**

**New Haggadot 5785**

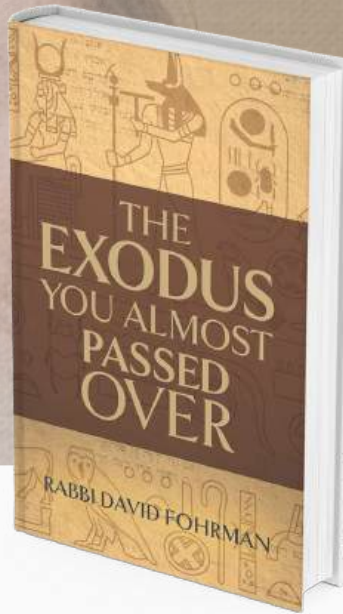

## **The Baderech Haggadah Rabbi Judah Mischel**

**Embark on a path of personal and national redemption...**

**The order and process of the Haggadah is ever relevant; its timelessness anchors us and gives voice to both our heartbreak and hope. In tracing our birth and beginning, detailing our development, and revealing our essence and identity, nishmas Yisrael finds its ultimate expression in the Haggadah. Ashreinu, fortunate are we, that our generation is the one privileged to manifest its prophecy and promise.**

## Michael Pomeranz's Pick

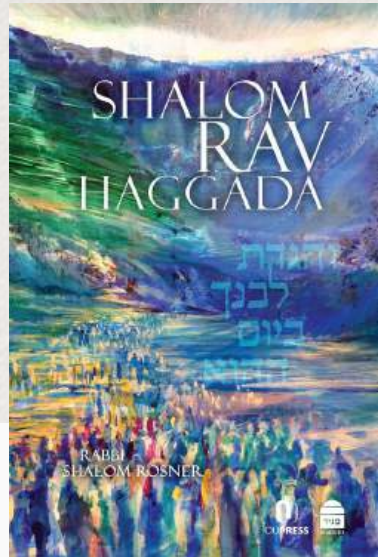

### **The Exodus You Almost Passed Over** **Rabbi David Fohrman**

Is there an Exodus story that we almost passed over? Every year we read the story of the Israelites' Exodus from Egypt. It seems like something we already know. But do we?

In this book, Rabbi Fohrman invites us to look at the Exodus story with fresh eyes – to join him, as it were, on a guided adventure, a close reading of the ancient biblical text. In so doing, Rabbi Fohrman reveals a side of the Exodus story that illuminates not just our past, but our future, and tells not only of our freedom, but of our destiny. This book will uncover secrets that lay hidden in this ancient and sacred saga and tell the tale of the Exodus you thought you knew.

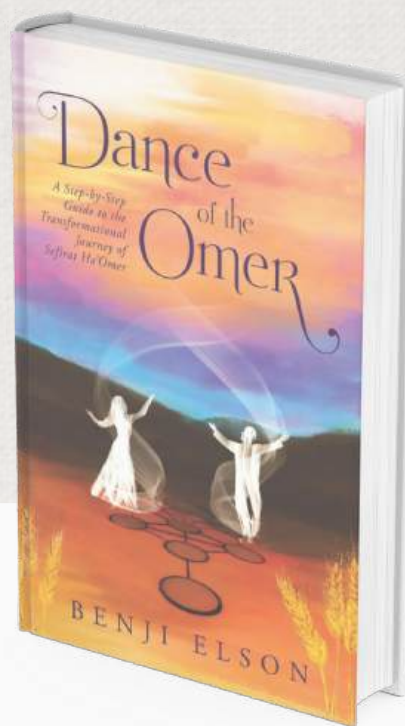

Last year's best seller

## Shalom Rav Haggada

This companion guide is designed to enhance your understanding and experience of the defining mo'ed of our nation - Pesah. Find yourself immersed in a collection of thought-provoking writings by luminaries of the past, thinkers of the present, and young scholars of the future. Explore selections from the various legal and philosophical components of Pesah, enhanced by insights from history, psychology, science, and more.

## Dance of the Omer

**Seven Sefirot. Seven Weeks. Seven Stages of Transformation. Twenty Minutes a Day and you will emerge a different person.**

**In just fifty days, Dance of the Omer will help you transform your life, your relationships, your dreams, and your clarity about your purpose in life.**

**THE ENTIRE WORLD IS MADE OF FRACTALS WITHIN FRACTALS.** For the Kabbalists, this Divine Sacred Geometry is known as the Sefirot, the Divine Emanations that constitute the structural makeup of the entire Universe, complete with its various physical, emotional, mental, spiritual, and metaphysical levels and spheres.

## Dr. Ari's Haggadah

According to our Sages, the ideal time to transmit the story of our Exodus from Egypt is when parents and children sit together at the Seder, exchanging questions and answers. Dr. Ari's Haggadah simplifies the process and asks the important questions for us. With its engaging question-and-answer format, followed by short digestible takeaway messages, this refreshing new Haggadah illuminates the fundamental concepts of our Redemption, so that everyone can understand—at any age or level.

**Dear Friends,**

**As we approach Pesach, a time of liberation and reflection, we are reminded of the ongoing struggles faced by our brothers and sisters in captivity. This year, we carry the weight of their bondage in our hearts, praying for their swift redemption. 🙏✨**

**In this season of unity, we hope our catalog offerings inspire you to gather with loved ones, sharing stories and traditions that connect us all. Our dedicated staff continues to serve on the front lines, balancing their commitments with reserve duty. Their unwavering spirit embodies the resilience we honor during this sacred time. 💪**

**May our collective service and study during Pesach bring us closer together and strengthen our hopes for a full redemption.**

**Wishing you a meaningful and uplifting holiday.**

**Warmly,**

**The Pomeranz Team**
